October 26 – 27, 2016

Radisson Blu, Abidjan, Côte d'Ivoire

“People, Planet, Profit in a Changing World”

“Population, Planète et Economie cacaoyère dans un monde en mutation”

Join leaders in the cocoa and chocolate sector for the only meeting dedicated solely to sustainable cocoa. WCF is proud to co-host the meeting with le Conseil du Café-Cacao.

Le Conseil du Café-Cacao

Le Conseil de Régulation, de Stabilisation et de Développement de la Filière Café-Cacao

Why attend? Join executives from chocolate and cocoa companies, global retailers, cocoa producing country governments, non-profit organizations, academia, research institutes to address critical issues facing the sector. In addition to the two-day meeting, a field visit will take place following the Partnership Meeting to see first-hand some of the topics discussed during the meeting. Visit the Cocoa Sustainability Trade

Fair where companies will showcase their projects and products related to sustainable and responsible cocoa.
